OUR VISION

MENINO SOURCING LTD is a global company dedicated to provide products and services of such quality that our customers receive superior value while our employees and business partners share our success. It is our vision to set the standard for quality, service, commitment and convenience in every market that we serve. Our long experience in Export and manufacturing will assist our customers to choose the right product with the right investment.

The company was found in 2022 by its partner Director Abdur Rashid & M. A Razzak . It all started with trading commodity items followed by supply and Customer servicing of began its core operation by representing world class manufacturers and turned out it to be one of the leading names in Bangladesh for supplying Garment Products.

In the 1990's there was an industrial boom in Bangladesh which saw hundreds of garment, textile, ceramic, pharmaceuticals, steel manufacturing companies mushrooming throughout the country. MENINO SOURCING LTD rode that industrial wave and became one of the names in the country for the supply and service of its value able customer.

OUR COMMITMENT

Our Commitments define who we are, how we work, our priorities and our values!

PERFORMANCE

Our customers have a choice, and how we perform determines whether they choose us. We aim high, set ambitious goals and deliver results, and we use customer feedback to recalibrate when necessary. We move quickly and make timely, well-reasoned decisions because our future depends on them. We invest authority where it needs to be, in the hands of the people closest to the customer and the work.?

INNOVATION

We are a company of ideas that are nurtured by a commitment to research and development. The achievements of our founders inspire us to reach always for the next innovative and powerful and marketable idea. We seek and share ideas openly, and encourage diversity of experience and opinion.

OPPORTUNITY

Our employees' ideas and inspiration create opportunities constantly, and without limits. We improve continuously everything we do, as a company and as individuals. We support and pursue lifelong learning to expand our knowledge and capabilities and to engage with the world outside UTC. Confidence spurs us to

take prudent risks, to experiment, to cooperate with each other and, always, to learn from the consequences of our actions.

RESPONSIBILITY

Successful businesses improve the human condition. We maintain the highest ethical, environmental and safety standards everywhere, and we encourage and celebrate our employees' active roles in their communities.?
